

Nebraska's pheasant hunting has long been known as the finest in the world.

The terrain varies and includes CRP, food plots, hardwoods as well as our unique Sandhills region.

Why wait to join the fun? We hunt September through March — traditional Midwestern style pheasant hunts the way Grandpa and Dad taught us.

Come join us on one of these exciting hunts and you will create memories that will last a lifetime.

Nebraska Hunting Company

Nebraska Hunting Company has everything you need to plan your next outdoor adventure in beautiful Nebraska.

Areas where **NHC** hunts upland birds, waterfowl, Merriam's turkeys and whitetail and mule deer have provided some of Nebraska's finest hunting for decades. This habitat (CRP, food plots and hardwoods), along with continuous scouting for new property and our landowner reports on wildlife movements, allows you to be where the hunting is best...*and isn't that what you're here to do?*

"Combination Hunts" for upland bird and waterfowl are **Nebraska Hunting Company's** specialty. NHC's hunts are designed to yield plenty of wing-shooting action for pheasant and waterfowl (Canadian geese and ducks).

NHC provides the unique opportunity to hunt throughout the state. We can arrange for you to hunt large Midwestern whitetail deer or the elusive mule deer. These hunts are both exciting and exhilarating. We also offer Merriam's turkey hunts, one of the birds required for the Grand Slam.

Nebraska Hunting Company creates the opportunity to build lifetime memories for your friends, your family *and you.*

There's no need to look elsewhere!
